## Financial Policy

Thank you for choosing ITC Dental. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

### Payment Options:

You can choose from:

- Cash, Check, Visa, MasterCard, American Express or Discover Card
- Convenient Monthly Payment Options<sup>1</sup> from Care Credit Healthcare Credit Card
  - o Allow you to pay over time
  - o No annual fees or pre-payment penalties

Please note:

ITC Dental requires payment prior to the completion of your treatment. If you choose to discontinue care before treatment is complete, your refund will be determined upon review of your case.

Once dental treatment has begun, changes in the anticipated treatment plan may be required, depending on oral conditions encountered. We will inform you if this occurs. For patients with dental insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment. However, if we do not receive payment from your insurance carrier within 90 days, you will be responsible for payment of your treatment fees and collection of your benefits directly from your insurance carrier.

ITC Dental charges \$30 for returned checks

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.
